

The Secret Covenant

An illusion it will be, so large, so vast it will escape their perception.
Those who will see it will be thought of as insane.
We will create separate fronts to prevent them from seeing the connection between us.
We will behave as if we are not connected to keep the illusion alive.
Our goal will be accomplished one drop at a time so as to never bring suspicion upon ourselves.
This will also prevent them from seeing the changes as they occur.
We will work together always and will remain bound by blood and secrecy.
Death will come to he who speaks.
We will keep their lifespan short and their minds weak while pretending to do the opposite.
We will use our knowledge of science and technology in subtle ways so they will never see what is happening.
We will use soft metals, aging accelerators and sedatives in food and water, also in the air.
They will be blanketed by poisons everywhere they turn.
The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear.
We will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.
We will render them docile and weak before us by our power.
Their minds will belong to us and they will do as we say. If they refuse we shall find ways to implement mind-altering technology into their lives.
We will use fear as our weapon.
We will establish their governments and establish opposites within.
We will both sides.
They will perform the labor for us and we shall prosper from their toil.
Our families will never mix with theirs.
Our blood must be pure always, for it is the way.
We will make them kill each other when it suits us.
We will keep them separated from the oneness by dogma and religion.
We will control all aspects of their lives and tell them what to think and how.
We will guide them kindly and gently letting them think they are guiding themselves.
We will foment animosity between them through our factions.
When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.
We will make them rip each other's hearts apart and kill their children.
They will bathe in their blood and kill their neighbors for as long as we see fit.
We will benefit greatly from this, for they will not see us, for they cannot see us.
We will continue to prosper from their wars and their deaths.
We will make them live in fear and anger.
We will use all their tools we have to accomplish this.
The tools will be provided by their labor.
We will make them hate themselves and their neighbors.
We will always hide the divine truth from them, that we are all one.
This they must never know!
Drop-by-drop; drop-by-drop we will advance our goal.
We will take over their land, resources and wealth to exercise total control over them.
We will deceive them into accepting laws that will steal the little freedom they will have.
We will establish a money system that will imprison them forever, keeping them and their

children in debt.

When they shall ban together, we shall accuse them of crimes and present a different story to the world for we shall control all the media.

When they shall rise up against us we will crush them like insects, for they are less than that.

They will be helpless to do anything for they will have no weapons.

We will recruit some of them to carry out our plans, we will promise them eternal life, but eternal life they will never have for they are not of us.

The truth will be hidden in their face, so close they will not be able to focus on it until it's too late.

Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves.

When all is in place, the reality we will have created for them will enslave them.

Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.

But if they ever find out they are our equal, we shall perish. This they must never know.

If they ever find out that together they can vanquish us, they will take action.

They must never, ever find out what we have done, for if they do, we shall have no place to run. No one shall give us shelter.

This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans.

This covenant is sealed by blood, our blood!
